Discipleship ministry expresses sincere appreciation for the presence and continued support of all stakeholders as we reflects on the spiritual journey and achievements of the past spiritual year.

Discipleship is one of the ministries in MMARAU Christian Union. As a ministry, we are committed to deepen and strengthen the spiritual life of members through Bible teaching, study, prayer and fellowship so that , as the Holy Spirit works in them, they may become more Christ-like in character, behaviour and n effective witness. Also Discipleship ministry envisage wholesome nurture of Christian Students into aunthetic disciples, living effectively as Christians in and out of campus. We seek to raise lifelong witnesses of Jesus Christ bringing godly impact in the church and society as they submit to his Lordship in all.

Through 2024/2025 Spiritual Year as the ministry we havebeen guided by the themes,Rooted and built up in Christ.**(Collosians2:6-7)** and God did not call us to be impure,but to live a holy life **(1Thessalonians4:7).**

As Discipleship ministry we believe being a disciple of Jesus is about coming to Him "Jesus" to be with Him and true disciple's commitment to obedience is not out of a sense of obligation "have to" but rather out of joyful and wilful obedience, that is,want to.

It is built under the word of God to help disciple and keep the 2024 cohort together in Christ through their journey in campus and to ensure the members live a balanced life in spiritual matters, academics, socially and economically. - There has been great spiritual growth among class members who have been to realize their identity in Christ and this has helped them become committed members of the Church

- Members together with the leaders have been committed, worked in unity from start to finish which has made the class stand out in all its activities and helped in raising a healthy class fellowship.

- There was sometimes attendance inconsistency to class fellowships and this made class members to be reluctant

- There was neglect and ignorance of communicated information among members and leaders at some point.

- Most members were not coming for Discipleship Ministry prayer conclusions despite being mobilized on the same.

RECOMMENDATIONS

- That there be proper and effective follow up on class members just beyond spiritual matters because most of the issues they are going is affecting their spiritual lives by the class leadership.

- Other second years to view class fellowships as an avenue for fellowshiping just any other meeting, not downlooking on them.

- The class welfare account to be properly funded so as to ensure its effective. By class leaders.

- Mobilization resources to at least be released earlier than how it has been.

FAMILIES REPORT(Overall Dad and mum docet)

1. Introduction

We thank the Almighty God for the privilege to serve in the Maasai Mara University Christian Union as the Overall Mum and Overall Dad under the Discipleship Ministry for the 2024/2025 service year. This period has been one of great learning, growth, and grace as we worked together to nurture members spiritually and socially through the CU Family system. We remain grateful for the opportunity to serve God and His people in this capacity.

2. Roles and Responsibilities

Our primary responsibility was to oversee the nine CU families, each led by a family Mum and Dad. These family leaders formed individual family committees responsible for organizing Friday family fellowships and ensuring spiritual growth within their respective families.

At the ministry level, we, together with all the family Mums and Dads, formed the Family Committee, which met every Sunday after the main service for planning, evaluations, and briefings. This structure enhanced coordination, teamwork, and accountability within the Discipleship Ministry.

3. Activities and Achievements

We give glory to God for the success of various activities conducted under the Family and Discipleship structure during the 2024/2025 service year:

- Family Fellowships: Each family held Friday family fellowships consistently. These gatherings provided a platform for prayer, sharing the Word, bonding, and building relationships among members.

- Wednesday Fellowships: As a committee, we organized Wednesday fellowships alternating between Ladies and Gents Fellowships and Class Fellowships. The Ladies and Gents Fellowships mainly focused on purity, spiritual growth, emotional health, and sexual integrity. By God's grace, we successfully introduced separate Ladies' and Gents' sessions, which allowed for open discussions and mentorship in a more comfortable

environment. This initiative was well-received and highly impactful.

- Fun Day (Held at TM Grounds): In the previous month, we successfully held a Fun Day at TM Grounds. The day was filled with games, interactions, and joyful fellowship, helping to strengthen unity among CU members while providing a relaxed and refreshing time together.

- Family Progress: All nine families have continued to progress well, with steady increases in membership and participation. Each family was blessed with about 60 first-year members, many of whom have integrated well into CU life and continue to attend family fellowships faithfully.

4. Challenges Encountered

- Limited venues for family fellowships, and some available spaces lacked proper lighting, making evening sessions difficult.

- Inconsistency among some family committee members, as a few neglected their responsibilities, causing leadership imbalance in certain families.

- The growing number of members called for more structured mentorship and follow-up to ensure every individual received adequate attention and discipleship.

5. Recommendations

- The CU should secure additional venues with proper lighting to accommodate all families effectively.

- Regular training, mentorship, and motivation sessions should be conducted for family leaders to strengthen their commitment and effectiveness.

- Continuous follow-up and integration programs should be prioritized

to retain new members and nurture them in faith

6. Conclusion and Reflection

Serving as the Overall Mum and Dad has been a humbling and fulfilling experience. We have witnessed the hand of God in transforming lives, strengthening bonds, and deepening the discipleship culture within the Christian Union. The journey has taught us patience, teamwork, and total dependence on God's grace.

We sincerely appreciate the dedication of all family Mums and Dads, the Discipleship Ministry leadership, and the entire CU fraternity for their cooperation, prayer, and unity throughout the year.

As we conclude this term, we are reminded that the work of discipleship is continuous and divine. May those who come after us continue to serve faithfully, always remembering that our labor in the Lord is never in vain.

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." — Galatians 6:9 (NIV)

To God be the Glory.
